The coming forest fire season that is just around the corner is a hard one to predict, it can be the worst one in the history of the Town, and that is what we have got to be ready for. We are going to be on our own this year as the C. C. C. Camps and Forest Fire Service groups have gone and some of our own manpower is in the U. S. Service now. We have got a job to do this year that calls for 100 per cent cooperation from the Town Officials, Fire Deputies and every one of the Towns People, so let's everyone be on your toes when the fire season starts, pull together as we have in the past and we can do this job and do it right.

REPORT OF TRUSTEES OF G. H. STOWELL FREE LIBRARY

To the Citizens of Cornish:

This has been a busy year at the library. A Neighborhood Library Meeting was held in June with thirty six librarians and trustees present. Interesting talks on children's books, book reviews, and aids for the librarian were given. After the business meeting Miss Ruth Gaines spoke on the history of New Hampshire Homespun and illustrated by spinning flax on a wheel.

Exhibits of school work in June, collections from Florida and foreign countries loaned for the cabinet, and posters and book collections from the schools during Book Week were all enjoyed by visitors.

Floors were re-varnished and the columns were repaired and painted, but other planned repairs were not completed due to the scarcity of skilled labor.

We opened the Library Wednesday mornings, at the request of the Selectmen, and loaned the use of two rooms to Dr. Lewin. The librarian has been at her desk at this time and loaned books to those desiring them.

The winners of the Book Report Contest:

8th Grade prize—Center School—May Belle Perkins
8th Grade—Honorable Mention—None.
7th Grade prize—Tracy School—Barbara Tierney.
7th Grade—Honorable Mention—Center School—
Rachel Harrington.
6th Grade prize—Flat School—Donald Hood.
6th Grade—Honorable Mention—Center School—
Lois Harrington.

Four schools participated in the contest and many more entries were received. The Book Report Contest was planned for 1941-42 but due to Scarlet Fever in some schools it was omitted as a precautionary health measure. Forty books have been fumigated and several burned.

Following are the circulation statistics:

Total visitors at library	1,492
Books loaned to library	3,000
Books loaned to South Cornish Community	195
Books loaned to Schools	562
Magazines loaned at library	407
Magazines loaned to South Cornish Community	14
Magazines loaned to Schools	48
Books borrowed from State for 10 people	16
Seven visits from Bookmobile loaning—No. of books	160

Visitors registered at the library from New Hampshire, Vermont, Massachusetts, Connecticut, Kentucky, and London, England.

150 books were collected for the Victory Campaign.

We wish to thank the following for books and magazines: Mrs. Dwight Wood, Mary Bugbee, Mrs. Charles Weld, Mrs. Robert Barrett, Mrs. Willard Eastman, Mrs. Alice O. F. Young, Mrs. William Bugbee, Miss Ruth Gaines, Mrs. Frank Jeffery, Mr. Bernard Baruch, Mr. Edward Chace, Mr. Ralph Brown, Carnegie Corporation of N. Y., and Doubleday Doren Co.

Superintendent's Report

Due to the illness of Supt. Mason, towns belonging to the Charlestown Union approved giving Supt. Mason a three months' leave of absence, for January, February and March. They also approved Commissioner Pringle's appointment of Supt. Wesley Douglass, as his substitute during that period. Therefore there will not be any report at this time from Supt. Mason, but Mr. Douglass will send us a notation.

SELMA LOVEJOY,
Chairman School Board

— — — — —

To the Cornish School Board:

Although I have had the privilege of serving you in the capacity of Acting Superintendent of Schools but a few weeks, I trust you will not consider me out of order if I make a few observations at this time.

My first impression of your schools was very favorable. The discipline seemed to be uniformally good, the teaching of a high order, and the relationship between pupils and teachers pleasant and happy.

These conditions reflect credit upon your Superintendent, Mr. Walter L. Mason, but I also know that conditions like these mean intelligent cooperation with the Superintendent, on the part of the School Board, and back of them, the support of an enlightened citizenry.

I am pleased to find that you are awake to the serious problems that face your schools in these critical times,—the growing scarcity of materials of all sorts, the shortage of teachers, the difficulties of transportation, to mention but a few. The budget which you present to your constituency not only recognizes these problems, but your determination that educational opportunities shall not be denied the children of Cornish.

I join with you and the teachers and the pupils of Cornish in the hope that Mr. Mason may have a complete recovery and may soon be able to perform for you his usual services.

Respectfully submitted,
WESLEY H. DOUGLASS,
Acting Superintendent of Schools

REPORT OF THE SCHOOL NURSE

January 1941—January 1942

The advice of the nurse may be and often is a definite health education liability. She is in a position to have intimate knowledge of the health problems of individual pupils and to make direct contacts with the homes. Through the visits to the home she gives the parents a clear idea of the school health program. This year the following defects were noted and reported to the parents:

Defects	Number Children	Treatment or Correction
Defective teeth	74	27
Enlarged tonsils	13	4
Defective vision	6	4
Malnutrition	32 (3 obese)	8
Abnormal thyroid	2	2
Skin eruption	7 (not infectious)	7
Poor posture	11	11
Pediculosis	6	6

Found or Reported Communicable Diseases		Total Number Visits
Mumps	12	75 Home Visits
Measles	13	92 School Visits
Chicken pox	2	13 Business Calls
Scarlet fever	3 (3 others not in school)	

Daily inspections were made to detect early symptoms of scarlet fever. Children were accompanied by the nurse to eye clinics and to physicians.

Respectfully submitted,

ZEPHYRINE L. HASHAM,
School Nurse.
